January Board Meeting Agenda 1/7/2025, 5:00PM

1. Call to Order 5:05pm
2. Prayer – Ross
3. Roll Call – Ross, Vance, Kyle, Terry
4. Call to the Public for items not on the agenda. Individuals may address the Board on any relevant issue for 5 minutes. At the close of the call to the public, Board members may respond to criticism, ask staff to review a matter, or ask that a matter be placed on a future agenda.

Frank Cluff – Water turns concerns. Wants to explain why their ditch uses a different schedule than the one that SCID gives out. They are on a 12 month schedule because of how some of the water comes down and contention with the neighbors. Frank made the 12 month schedule so there would be less contention on that ditch. The schedule was put in place spring of 2012.

Vance's opinion – we leave our schedule the way it is, and the ditch Frank and the Owens's is on can keep doing what they're doing.

Kyle's opinion – if they are going to complain and be contentious then the winter water should just be turned off. Brought up that we will have to raise irrigation rates so we can continue to provide water from the wells for the ditches.

Terry – Frank wants to know if there's anything Terry is worried about. Terry only is worried about people needing the spring water and it not being there and finding out that Shumway ditch is on a different schedule.

Ross – would like a copy of their schedule so we know what's going on on that ditch.

5. Approval of November minutes. – Vance motions to approve all in favor

Email from Ivy about her mom's properties – she wants their turns to be one after the other "I am Joan Williams' daughter-in-law. We just spoke on the phone. Joan is elderly and now physically unable to irrigate her property, so I will be taking care of it for her. She purchased the vacant lot right next to her house from January and Blaine Stratton last April, but last year the two properties were on different irrigation days. I wanted to ask if I could arrange to get them back to back on the

schedule this year. I would greatly appreciate it, as I have to travel from the south end of Taylor to the northeast end of Snowflake to irrigate both properties for her. Here is the information for her properties:

Joan Williams (home) 55 N 3rd West Snowflake, AZ Bill Taylor Gardens
1.25 shares

Joan Williams (lot) 41 N 3rd West Snowflake, AZ Bill Taylor Gardens 1.0
share”

We can put them together with the later time.
